

Bible Month June 2017

The resources for Bible month can be used at anytime, this year many Methodist Churches across the Connexion will be participating in an in-depth exploration of the book of James in June 2017

Here in the NW & Mann the DMLN will help you to best engage with the materials that are being produced in partnership with ROOTS and LWPT.

Though there will be guidance for theme preaching and worship leading published, how to best engage Connexionally and stay true to ministry in your context may need additional support. We are here to help you consider how to engage in Bible month missionally as well as with those already part of the regular worshipping community.

Something special will come from so many people exploring the same Word in our unique ways but at the same time.

This is the first Bible Month; more to follow!

James: living out faith then confessing it...

'Who is wise and understanding among you?
Show by your good life that your works are done
with gentleness born of wisdom.'
(James 3:13)

- This piece of work will compliment other Biblical Literacy opportunities offered in the region. Watch this space for taking it deeper sessions offered by our Ministry Team.
