Further Skills in Growing through Conflict

**For church leaders who have taken part in the
foundation day 'Growing through Conflict'**

The day is designed by popular request for those who have already taken part in one of the foundation days on 'Growing through Conflict' in 2015 and 2016.

If you have attended a different but relevant course, such as Bridge Builders, please speak to Brec Seaton before booking a place.

Hosting: If you would like to host this day at your church, Brec Seaton will be seeking venues for two days within the NW&Mann region and would very much like to hear from you.

Final details of venues, dates and booking details will be available in the autumn.
