

Candidates Support Map

Are you looking to candidate for Presbyteral or Diaconal Ministry in the Methodist Church?

Ask your Superintendent to arrange for a 4 way Candidating Support Group meeting: You will meet with your **Superintendent, the District Candidates Secretary** and an **Officer** from the Discipleship and Ministries Learning Network—that will usually be Jasmine in our region.

The meeting will make sure that personal, pastoral and prayer support is offered to you. The meeting will appoint you a mentor, arrange a placement and set up the various interviews and other elements of support that you might need in the process of Candidating.

Candidates' Support Programme 2016-2017

We have a series of Saturdays throughout the year in which, among other things we will continue to think about and support you through the process; introduce **the process of candidating**, look at the time-table and the key dates for submission, to explore what is required in completing **portfolio** and the importance of setting up a **placement**, study some **Methodist history and theology** and consider what the term '**theological reflection**' means and how to practice it.
