for women, for justice, for Christ

## **President of Methodist Women in Britain**

Are you passionate about supporting women, social justice and encouraging others in their walk with Christ? Then Methodist Women in Britain would love to hear from you. We are seeking our next President to guide and shape the movement as we go forward, building on our first ten years.

As the President, and ambassador of Methodist Women in Britain, you will engage with people in person and online, and visit at least one partnership organisation overseas. The ability to communicate with a range of audiences is essential, along with good organising and IT skills. Experience of leading meetings is a desirable asset.

This volunteer role begins in September 2022. You will shadow the current President in year 1, lead and guide in years 2 and 3, then as Vice President in year 4, support the next President and President elect. You will have the support of an Executive team, a board of trustees, and a network of Methodist women's groups across the country. All reasonable expenses are paid.

Could God be calling you to apply for this exciting role?
