SAFEGUARDING CONTACTS

Children, Young People Vulnerable Adults

For the use of Creating Safe Space Foundation Module Trainers

When you phone you may be asked for the child's name, the address of the child's family and the age of the child. If you have a concern about a child in the church or community, ring Children's Services. If you have a concern about someone working with children, contact the LADO (Local Authority Designated Officer). If you have a concern about an adult in the church or community, ring Adult Services.
